GENERAL INFORMATION

Our Vision

Changing lives through the world education.

Our Mission

We achieve academic excellence by developing the mind, body and soul through the arts and technology.

Our Core Principles

The school's core values and foundational beliefs...

Excellence
Integrity
Service
Caring
Family

Our Philosophy

The Walton Academy for the Performing Arts (WAPA) will instruct and instill educational excellence that will enhance the mind, body and soul. Maintaining a strong basis for reading proficiency and other academics, the Academy will provide an enrichment program for the development of the performing arts in dance, music and drama. With these tools, we will encourage creativity, imagination and self-expression. Each student's multiple intelligences will be activated and strengthened through WAPA's academic and performing arts program.

Civility Policy

The faculty and staff of WAPA will treat parents and other members of the public with respect and will expect the same in return. WAPA is committed to maintaining orderly educational and administrative processes in keeping the school and administrative offices free from disruptions and preventing unauthorized persons from entering school/district grounds.

The aim is to promote mutual respect and orderly conduct within the school, thereby setting a model for children and others in the community. It is not meant to deprive any person of the right to freedom of expression. Volatile, hostile or aggressive actions and words are discouraged, and individuals who engage in these activities may face legal penalties.

Walton Academy does not discriminate on the basis of race, color, religion, sex, age, national or ethnic origin, political beliefs, marital status, handicapping condition, sexual orientation, gender identity or social and family backgrounds in its programs, harassment and bullying policies, and activities, including employment opportunities.

ATTENDANCE

School attendance is the direct responsibility of parent(s)/guardian(s) and students. All students are expected to be on time for school in order to benefit from the instructional program and to develop habits of punctuality, self-discipline and responsibility.

Educational excellence cannot be achieved without consistent attendance. In order for the school to help students to be successful, the following procedures regarding attendance and tardies should be followed.

Please report your child's absence by calling the school at (813) 231-9272 by 9am. A robocall message will be delivered at approximately 11:00am for the student's absence, whether the parent has called or not.

School Hours

School hours are from 8:00am until 2:45pm each day. Students should NOT arrive earlier than 7:30am or remain on campus later than 3:15pm unless they are participating in a supervised school activity or registered for the before and after school enrichment program. These procedures are designed for the safety and well-being of your children.

Arrival Procedures

For safety purposes, students must be dropped off in the 2-lane car line, students will be removed from the cars by staff and walk along the side closest to the deck and portable buildings. Parents, please remain in your vehicle, do not leave your car unattended. The staff will give directions to provide a smooth flow through the carline and parking lot. If you must enter the building due to a scheduled appointment, please park your car in a line-marked parking space.

Regular and prompt school attendance plays an important part in positively supporting student achievement. WAPA's drop-off time is from 7:30-7:55am to ensure students are sitting in class by 8:00am. Students may arrive to the school grounds and be dropped off to enter the school beginning at 7:30 AM. Any parent/guardian who needs to drop off students before 7:30 AM is expected to enter the main building and escort their child(ren) for Before Care. Parents must sign in their child on a daily basis.

PLEASE NOTE: Student Arrival/Drop off time is not time to conference with our faculty. Staff with morning duty and teachers who arrive early do so to prepare for the school day or may have meetings scheduled and cannot ensure availability for unscheduled meetings or conferences. To best support the preparation of the school day, parents shall refrain from attempting to conference with staff unless prior arrangements have been established. Unless it is of urgent matter concerning a safety emergency, parents are encouraged to email your child's teacher, (or administration if deemed necessary), to set up a conference that's mutually convenient for both parties if you wish to discuss specific concerns.

As a public charter school of choice, Walton Academy does not offer neighborhood pick-up and drop off by school bus. Parents provide transportation to and from school.

Dismissal Procedures

The Walton Academy staff places the utmost importance to the safety and well-being of your child. Due to the limited space on campus, please respect other drivers and keep all traffic in the appropriate lanes directed by the WAPA staff member. Please be patient with the lines that form at dismissal as our goal is to get your child(ren) into your vehicle in a swift and safe manner. To assist us, please place the provided yellow "Car Rider" card on the dashboard with your child(ren)'s name and grade level. It is important to remain in your vehicle and do not leave your vehicle unattended.

***During inclement weather, it is especially important that families follow all the traffic safety rules and any updated directives issued by the school; it will take a little longer, but it will ensure the safety of everyone. At times, it may be necessary to pause dismissal during inclement or severe weather for everyone's safety. Please remain in vehicles in carline and dismissal procedures will resume when it is safe to do so. For smooth and safe student drop-off and pick-up times, we ask you (and your authorized person(s) designated for transportation) to support and comply with the following dismissal procedures.

Students have the responsibility to:

- attend school daily and be on time

Parents have the responsibility to:

- notify school personnel about their child's absence from school on the day of the absence
- notify the school of any change of address, phone numbers and emergency contact numbers
- be aware of school calendar and coordinate doctor's appointments, vacations and personal business to support attendance on school days.

Parents should limit appointments and other non-school related activities to outside school hours. When appointments must be made during school hours, or whenever a student must be absent from school for any portion of the school day, it will be the responsibility of the parent to notify school in writing or by telephone, within time lines established by each school's absence procedures, stating the reason for their child's absence. When a parent fails to notify the school of their child's absence according to the school's procedures, the absence may be recorded as unexcused.

REPORTING YOUR CHILD'S ABSENCE

It is the responsibility of the student's parent or guardian to explain a student's absence to the designated office in person or by telephone. Parents are expected to notify the school the day of the absence. Schools may require additional documentation upon a student's return.

Parents must provide school personnel with accurate telephone contact numbers (home and work for parents or legal guardians) and ensure the number(s) are correct if there is a change during the school year. This information must be given on the emergency contact card provided by the school at the beginning of the school year and updated as changes occur.

The school shall make an effort to contact the parent or guardian on the day of the absence whenever a student's absence has not been explained. Records of telephone calls or parent contacts shall be retained by the school for future references.

EXCUSED ABSENCES: Examples include:

- an illness of the student or a medical or dental appointment; six (6) or more absences within a 9 week grading period, may require a doctor's statement by school officials;
- an accident resulting in injury to the student;
- a death in the immediate family of the student;
- an observance of an established religious holiday. Documentation of the religious affiliation of the student may be required by school officials. If the religious holiday observance cannot be identified as a traditionally well-known day such as Rosh Hashanah, school officials should require a note from the parent and a letter from the leader of the faith organization stating that the day, if celebrated, would result in an absence. If the letters are submitted, the absence should be excused and also recognized as an established religious holiday that does not impact any attendance incentives;
- pre-planned absence for a personal reason that is acceptable to the principal or designee. A parent must make the request in writing to the principal or designee at least three(3) days prior to the date of the absence. The parent will be notified of the decision. Vacations, other than on non-student days, must be pre-approved.
- a subpoena by a law enforcement agency or a required court appearance;
- an emergency for a reason acceptable to the principal/designee for an emergency such as:
 - severe weather conditions;
 - a major personal or family problem;
 - fire, flood, or other major damage to the home;
 - an accident on the way to school; or
 - a breakdown of the school bus (failure to pick up the student).

COVID Related Absences:

Student Confirmed Positive Case

Purpose – To ensure the health and safety of each member of our school family, the process below applies to students with a Confirmed Positive Case of COVID-19. All processes that involve COVID-19 cases will be shared with the Department of Health-Hillsborough as the lead agency for case investigation. As always, all student information will remain confidential, in accordance with applicable laws and regulations.

COVID-19 Symptoms – If anyone (student, employee, or visitor) shows any symptoms of COVID-19, it is extremely important that they not enter any school or district building and should contact their healthcare provider for guidance. COVID-19 symptoms (not associated with previously diagnosed conditions) include:

- Fever or chills
- Fatigue
- Sore throat
- Cough
- Muscle or body aches

- Congestion or runny nose
- Shortness of breath or difficulty breathing
- Headache
- Nausea or vomiting
- New loss of taste or smell
- Diarrhea

Student Confirmed Case Protocol

1. Parent/guardian should immediately contact the school administration or school nurse after a student receives a positive COVID-19 test result.
2. If the student is at school, they will be isolated and must go home immediately. If they are home, they should remain home.
3. School administration/school nurse will collect case information, related to the positive student in the 48 hours prior to symptom onset or positive test result if asymptomatic. Seating charts and lunchroom seating will be collected and reviewed.
4. Per Florida Department of Health, the confirmed positive student will be required to isolate for the length of time noted below:
 - 5 days have passed since the onset of symptoms or positive test result (if asymptomatic) the student has been fever-free for 24 hours without the use of fever-reducing medication and overall symptoms have improved and the student feels well enough to return to school.
 - If the criteria above are met, the student can return to school on day 6.

Make-up Work

A student who has been absent and whose absence is EXCUSED is permitted to make up assignments missed for up to full credit, provided that the learner makes arrangements with teacher(s) upon the next meeting of that class. Make-up work must be submitted within the deadline(s) set by the teacher(s).

UNEXCUSED ABSENCES:

Absences not included in the excused absence list above are considered unexcused. A student who receives an unexcused absence for any class period is expected to complete all assignments.

Consequences of Habitual Absences

Every unexplained absence	Parent Notification
5 unexcused absences	1 st letter to parent
Continued absences	Parent conference with School Administration
10 unexcused absences	2 nd letter to parent and referral to District Social Worker

Tardiness “Every Minute Counts”

Walton Academy has developed a tardy policy to assist in improving tardiness, thus improving student achievement. Students are expected to arrive at school on time. Tardiness disrupts the learning environment and interferes with the opportunity for students to learn. For

safety reasons, elementary students MUST NOT be dropped off. Student arriving after 8:05am must be signed in by a parent at the Main Office. The student will then be given an admit slip to get into class. Habitual tardiness will result in further action by Administration.

An excused sign-in includes:

- illness;
- medical or dental appointments (doctor’s statement may be required);
- automobile accident;
- deaths or funerals;
- emergency situations acceptable to the principal or designee;
- required court appearance (subpoena required);
- established religion observance;
- severe weather

Unexcused sign-ins include the following:

- car problems (ex: flat tire, no gas, car won’t start, student getting a parking decal);
- heavy traffic;
- overslept;
- returned for forgotten items or student obtaining an absentee admit;
- non-educational appointments.

Consequences of Habitual Tardies:

3rd Tardy	Warning
5th Tardy	Parent Notification (phone call)
10th Tardy	Parent Notification, Letter from School
15th Excessive Tardy	Parent Conference with School Administration, Loss of extracurricular activities, field trips, etc.

Students with habitual tardies within a 9-week marking period will be at risk of enrolling for the following school year.

Release of Students

During school hours a principal or designee shall permit a child to leave school only in custody of one of the following adults:

- parent/guardian of the student with photo ID
- person listed on emergency contact card, with photo ID
- a law enforcement officer
- an authorized worker from the Department of Children and Families

At the end of the school day, students are released at 2:45pm. Parents must notify the school office regarding any change in the student’s normal transportation. Car riders should be picked up immediately in the school’s designated area. If students are not picked up by 3:15pm, they will be sent to the Afterschool Enrichment Program and assessed a fee \$25 for the day. Parent or guardian will be responsible for payment.

Emergency School Hours

The Administration will close school due to dangerous weather conditions or emergencies. The closing of school will be announced by the School District of Hillsborough County via local radio or television.

Early Dismissal

Walton Academy has one early dismissal day scheduled each month. School dismisses at 12noon on the scheduled Friday. Students are to be picked up on time. Families are to notify any other after school programs, day care centers or parks and recreation that will be picking up your child. If students are not picked up by 12:30pm, they will be sent to the Afterschool Enrichment Program and assessed a fee \$25 for the day. Parent or guardian will be responsible for payment.

Fire Drills and Emergency Procedures

Fire drills are held monthly. Instructions for routes are posted in each classroom. A fire drill is identified by short blasts of the bell or horn for ten seconds. Students are to leave the building quickly and go quietly to the designated areas. They are to remain there with their teachers at all times, staying clear of roads and sidewalks. When signaled, students are to use the same route they used during class exit.

Should a fire drill occur during class change or lunch break, students should go to the nearest exit and proceed to a designated area until the all-clear signal is given. Other emergency procedures are posted in classrooms.

FOOD SERVICE

Walton Academy is a food sponsor through the National School Lunch Program. We are fortunate to be participating in the Community Eligibility Option, new to the state of Florida. This program allows ALL students to receive breakfast and lunch at no charge.

We offer healthy, delicious, kid-friendly food through Preferred Meals. To find out more about our food service, visit www.preferredmeals.com. Each month, the breakfast and lunch menu is provided on the school's website

Birthdays

Walton Academy will **NO** longer allow birthday celebrations at school. We ask that no birthday cake or treats, balloons or flowers be sent to the school. Balloon or flower deliveries will not be accepted.

PARENT/FAMILY INVOLVEMENT

Volunteerism and Parent/Family Involvement

Administration believes that parental involvement in a child's academic and social life at school is critical to the long-term achievement and success of each student at WAPA. In that light, administration requires that all families of children enrolled at WAPA, volunteer 20 hours

of service time to the school in support of academic and extracurricular programs and activities which directly impact student success. The Parent Teacher Organization (PTO) will coordinate this component and report to administration on a quarterly basis as to parental involvement.

Means of Communication

- TeacherEase
- Communication folder or school planners
- Weekly classroom newsletters and or progress reports
- Monthly WAPA newsletter
- WAPA website (www.waltonacademy.org)
- School flyers
- Direct calling by teachers/administration
- Parent voice and text messages
- Facebook, Instagram

Parent Conferences

The school will have two scheduled parent conference nights within a school year (September/October & January). Our first parent conference night will be virtually on Zoom. However, parents are invited to conference with the student's teachers at any time during the school year. It is advisable to make an appointment to do so. For questions regarding grades, attendance or discipline, email your child's teacher or contact the Main Office. For individual teacher conferences, parents should call the Main Office and leave their name and number where they can be contacted. Teachers will confirm the appointment by phoning the parent.

PTO (Parent, Teacher, Organization)

The PTO is a vital organization designed to represent parents and teachers in an effort to support our children's educational experience. This is done through a variety of social and educational programs. The key to this success is the support from our parents through their donation of time, talents and funds. We encourage all WAPA parents and teachers to join. PTO meets on the 3rd/4th Thursday of the month.

PARENT GUIDELINES

For the safety of our students, school personnel, parents, and visitors, Walton Academy maintains a 24-hour video surveillance. Any suspicious activity will be immediately investigated. Any unlawful activity including but not limited to trespassing, solicitation, and/or other acts deemed inappropriate on school property will be reported to the proper authorities. The following guidelines have been established to provide a safe, secure environment for parents, students and staff. Parents or guardians are expected to review and honor these guidelines while on school grounds or volunteering for activities.

General

1. All parents, visitors, and volunteers must sign in at the front office immediately upon entering the building. Prior to leaving the building, they must sign out at the office. Parents may not walk directly to a student's classroom unless given permission by the office staff.
2. All parents, visitors, and volunteers must conduct themselves in a manner conducive to a school environment. Respect and patience must be demonstrated at all times.
3. Parents are expected to acknowledge and reinforce model character behavior for our student.
4. All parents, visitors, and volunteers must wear a visitor's badge or other form of identification provided by the school.
5. The distribution of literature, without prior approval from the classroom teacher or Administration, is not permitted.
6. Volunteers may be required to submit to a criminal background check prior to beginning volunteer duties.
7. Volunteers are representatives of the school. They must always put the health and safety of student first. They must abide by all staff instructions and directions and ask for clarification of responsibilities if necessary.
8. Under no circumstances is corporal punishment allowed. If a situation requires more than verbal intervention, the offending student should be brought to the office or to the teacher in charge. The Code of Student Conduct and disciplinary procedures included in this handbook are to be followed as an alternative to corporal punishment.
9. Walton Academy is a public school, it has a board policy of neutrality with respect to matters of religion. When acting as school volunteer representatives, it is important to show no preference for any one religion over any other religion. In addition, volunteers should not show a preference for religion over non-religion, or vice-versa. They must respect the students' right to express themselves on matters of religion, but volunteers must also respect the other student's right not to be harassed by such expression. Volunteers also must be aware that, when they are volunteering, it is inappropriate for them to share their personal religious views with student.
10. Appropriate dress is required at all times while on school campus.

Classrooms

1. Classroom visitors and volunteers must remember that the teacher is ultimately responsible for the student and activities in his/her classroom. Visitors or volunteers shall be prohibited from the classroom if it is deemed by the teacher that their presence has created a disruption in the learning environment.
2. When volunteers arrive to begin their shift, they should be sensitive to the learning that is taking place in the classroom. They should enter the room quietly and wait until there is a break in the activity before communicating with the teacher and students.
3. The classroom teacher must address student infractions.
4. Visitors and volunteers must understand that classroom issues related to student are confidential matters. Students who need extra help are often sensitive as to how they are doing in school. Volunteers may not talk with other parents about the specific learning or disciplinary needs of any child other than their own. Test scores and other grades should be kept in strict confidence.

5. Drop-in conferences are not permitted during instructional time. Conferences must be prescheduled with the classroom teacher.
6. Permission to visit and observe a classroom must be approved by Administration.

Chaperone (Field Trips)

Field trips have been temporarily suspended due to the pandemic. As a chaperone, your participation is very important. In order to make field trips educational, fun, and a safe learning experience, here are some guidelines. All chaperones must complete an updated Volunteer application each year.

1. Chaperones are expected to follow school rules, follow the directions given by the coordinating teacher, work cooperatively with other volunteers and school staff members, and serve as a role model for students. The chaperone will follow the trip plan developed by the teacher.
2. As a chaperone, you will supervise a small group of students, helping them learn and making sure they behave well and are safe. Students must stay with you, their chaperone, at all times. Check to make sure you know where all students are regularly and before changing activities. Be sure you know when and where to meet the rest of your group at the end of the visit. **Count, count, count, all day!**
3. Chaperones are responsible for managing student behavior. Go over the rules, procedures and expectations of the school. Although you are responsible for student behavior, it is the responsibility of the teacher to discipline a student who is misbehaving.
4. Chaperones:
 - May not use profanity or inappropriate language
 - May not use or possess alcohol or drugs
 - May not use tobacco in the presence of, or within the sight of students
 - May not administer any medications, prescription or nonprescription, to students
 - May not use a cell phone for non-emergency or non-trip related purposes. It is not acceptable for outside work or reading to be completed while you are supervising students.
5. For the protection of both the student and the chaperone, chaperones should not be alone with a student at any time – for example, in the vehicle, in the restroom, etc.
6. Siblings may not participate in field trips, please make arrangements. Young children can easily be a distraction from your primary responsibility of supervising your group of students.
7. Chaperones must wear appropriate attire. We ask that chaperones wear blue jeans with a solid purple/white shirt or school logo shirt or spirit shirt.

The grievance procedure is available only to enrolled WAPA students or parents of currently enrolled WAPA students. Students should involve their parents or guardians in resolving school grievances.

MEDICAL AND HEALTH INFORMATION

Health Requirements

All students new to the county must present proof of a physical exam not more than one year old within 30 days of registration. The following information needs to be submitted to the school:

- ◆ Physical examination: Students failing to submit this documentation within 30 days will not be permitted to attend school.
- ◆ Students must produce documentation on the prescribed Florida blue DH 680 form of appropriate immunizations.
- ◆ Proof of birth: Birth certificate

Medication Needs

Walton Academy cannot issue any over-the-counter drugs. Parents must notify school administration if a student has a special medical condition or need. If a parent requests that prescription medication be given to their child, a doctor's written authorization and the original prescription containers should provide dosage and storage instructions. Prescriptions will be refilled as needed by the parent. WAPA personnel cannot administer medicine without specific written permission from the parent and doctor.

Students will come to the Office for administration of all medicine. Administration will log all student medication given.

Accidents and Illnesses

Students injured on the school premises will, as conditions warrant, be taken immediately to the front office, hospital or doctor and the parent/guardian will be notified. The teacher will submit an accident report to Administration.

Emergency Information

The capability to contact parents during emergency situations is essential. Students cannot receive emergency non-life threatening medical care without parental/guardian approval. Parents must fill out an emergency card listing the address and phone numbers where they can be reached during the day. If your contact information changes during the school year, it is imperative that we update your records. Please contact the front office.

School Entry Immunization Requirements

Students in grades K-5 who are making their initial entry into a Florida school must present a record of physical examination completed within the past 12 months. Although a specific form is not required, WAPA will recommend that Florida's standard Entry Exam Form (DH 3040) be used to document completion of a physical examination. It must be completed by a health care provider licensed to perform physical examinations. For students transferring to a

Florida school, a comparable form from another state would be acceptable, if completed within one year.

Immunization Record

The Florida Certificate of Immunization Form 680 will be used to document the immunizations required for entry and attendance in the Academy. It is recommended that parents obtain a copy of the child's complete immunization history before leaving the current state of residence.

◆ Diphtheria/Tetanus/Pertusis (DTaP)	5 doses
◆ Polio (OPV or IPV)	4 doses
◆ Measles (MMR)	2 doses
◆ Mumps (MMR)	1 dose
◆ Rubella (MMR)	1 dose
◆ Hepatitis B (Hep B)	3 doses

In addition to a physical examination and immunizations, students enrolling at WAPA must also have:

- Birth Certificate
- Social Security number
- Custody papers, if applicable
- Name and address of former school
- Report card/school records from former school

ACADEMICS

Walton Academy is committed to the academic success of all students. It is important that both the teacher and parent communicate and become partners.

Grade Reporting

Report cards are sent home at the end of each nine-week grading period. Progress reports are sent home midway through each grading period. Grades indicate the level of a student's academic and social growth. Academic grades reflect the student's learning of the Florida State Standards. Grades are derived from student assessments such as tests, homework, projects, class participation and teacher observation. When a student appears to be at risk of failing, notification will be provided to the parents so they can talk with the teacher about what actions can be taken to improve unsatisfactory grades. We encourage parents to check the academic progress of their child weekly on TeacherEase, an online grade reporting and communicating system. Each parent will receive a login and password at the beginning of the school year.

General Rules For Grading

Grading will be based on the quality of work done. A student's regular attendance, daily preparation, and promptness in completing assignments must be consistent and congruent

with these grades. Letter grades will be calculated on a percentage of student achievement as indicated below.

Homework

Homework is assigned for the purpose of reinforcing material covered during the day. Practicing concepts through work at home, being responsible for the completion of assignments, organizing materials, and working efficiently and independently are skills that are learned through the completion of homework assignments. Students will receive homework assignments nightly and varies from grade to grade, among teachers and from subject to subject.

Assessments

Assessments are an on-going process throughout the school year that involves a variety of techniques, both formal and informal. A more accurate decision about a student's grade is made when multiple measures of the student's achievement are used. These methods may include but are not limited to:

- Oral questioning/interviewing
- Teacher made tests
- Textbook tests
- Student self-assessment
- Observing student's performance (i.e., shared reading, guided reading, revisions of writing, mathematics problem-solving, scientific investigations, etc) and
- Portfolios of reading, writing, science and /or mathematics expectations

Walton Academy administers iReady Diagnostic Assessments 3 times a year (beginning, middle, end of the year) to all students. Test results are shared with parents during Parent Conference Nights and a home report with student's progress will be sent home at the end of the school year.

The Arts

ALL students enrolled at Walton Academy are REQUIRED to take both Music and Dance. Participation is not an option and it is major portion of their quarterly grade. When students are prepared for class, students participate more and perform better.

For Dance, ALL students will need to dress out in proper dance attire on dance days.

Technology and Online Resources

It is important that students have access to a computer, tablet or smartphone device for intervention or enrichment instruction and practice. At the beginning of each school year, students will receive login and password information to access various academic resources. All students in Hillsborough County have access to the FREE online reading book program, Myon. Myon Reader may be accessed at www.myon.com. Type in the school name; username (7 digit student#0; password (birthcode mm/yyyy)

Field Trips

Field trips or field studies are an extension of concepts taught in class. They are encouraged and supportive. Only children exhibiting responsible behavior may go on field trips.

Your classroom teacher will issue textbooks. Students are responsible for these books until they are returned. It is important that the student writes their name in the designated area clearly in ink so that the book can be returned in case it is lost.

Students will:

- Know where the assigned textbooks are at all times
- Keep all textbooks clean and free from damage or misuse

FINANCES

Check Policy

Checks written by parents of current students must have the most current information on file at the school. Any non-parent will be required to produce a photo I.D. before acceptance of the check. **Any check that is returned for any reason will result in a fee of \$25.00 to be paid in cash to cover administrative costs of collection.** Any check returned for any reason will be re-deposited

once as a courtesy. However, if the check is returned again, it will be deemed worthless and another \$25.00 fee, as well as the amount of the check, will be due in cash.

If any family has two (2) checks that are returned at any time during the time the student(s) is (are) enrolled at WAPA checks will no longer be accepted from that family for any reason. Any fees or costs throughout the year for whatever reason will then have to be paid in cash or by money order only.

Any outstanding debt not paid by the end of the school year, the matter will be reviewed by the administration to determine attendance at WAPA. In addition, any student who has an outstanding debt at the end of the year will not receive his/her report card until said debt is resolved.

SCHOOL-WIDE EXPECTATIONS

Harambee! Harambee is a Swahili term for “Let’s Pull Together”. We are committed to working together: teachers, students, parents, school and community for a common purpose, to give our students an amazing educational experience. Harambee hour is every Friday, where the school comes together to celebrate student successes, birthdays, discuss the core value word and highlight what’s happening at the school. Harambee will be held via Zoom to eliminate a large gathering of students.

Walton Academy is building a culture that nurtures, collaborates and supports our students and families in providing a positive, learning environment through **Positive Behavior Intervention Support (PBIS)**. PBIS focuses on teaching positive behaviors and rewarding students for practicing them. PBIS methods are research-based and proven to significantly reduce the occurrence of problem behaviors in the school, resulting in a more positive school climate and increased academic performance.

Verse

Do you wanna come go with me
To a place where you can be free
A place where you can go far
Even become a star

A place where things can change
Your life won't be the same
I know cause it did it for me
If you don't believe, just listen to me

I needed somewhere to grow
I needed someone to show
Me how to live, how to give

We welcome you again to Walton Academy for the Performing Arts where we provide exceptional educational and artistic experiences.

Again, the purpose of this handbook is to inform students and parents of the Academy's program, policies and procedures.

Students, parents, teachers, administrators, and office staff all have important roles to play at WAPA. With so many people working together, problems may occur from time to time. This booklet has been made to address these problems.

This handbook lists the Academy's rules for students in WAPA. The rules apply to all activities occurring on school grounds and other sites being used for school activities. Students, school faculty and staff need to know the rules. Since parents can be held responsible for the actions of their children, it is important that they are aware of the rules and consequences if the rules are broken.

The Academy must have proof that every parent/guardian has had a chance either to read the Family & Student Handbook or hear it read. Signed forms must be part of every student's record. Your signature means that you have read this handbook and know the rules of the school (It does not mean that you agree or disagree with them).
