Applications should be turned into the school office by 5:00 p.m. on the last day of open enrollment. As applications are received, the date and time stamped on the application will determine the date and time received – not the parent/guardian's signature and date. When open enrollment ends, applications are counted. If there are fewer applications than openings, all applications will be accepted. If there are more applications than openings, a lottery will be held to determine who will be accepted and who will be placed on a waiting list. Within several weeks of the lottery, parents will be officially notified by email if their child has been accepted. Preference is given to siblings of students already enrolled at the school for an available opening. A lottery system will be used if capacity has been met for enrollment. *PLEASE NOTE:* Walton Academy does not provide transportation for school.
